RESPONSE TO "NOTICE TO FILE CORRECTED APPLICATION PAPERS"

Sir or Madam:

This letter is in response to the "Notice to File Corrected Application Papers" mailed January 30, 2002. A copy of the Notice to File Corrected Application Papers is enclosed.

The Notice indicated that certain drawing requirements were not met in the application as filed. Substitute drawings were required because "Drawings must be

reasonably free from erasures and must be free from alterations, overwritings, interlineations, folds, and copy marks.”

Applicant is filing substitute figures in response to the Notice. These include a revised Fig. 3, which corrects a handwritten alteration, and revised Figs. 4A and 4B, which remove shading. Applicant believes that the revised figures are in compliance with 37 C.F.R. 1.84.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Bruce D. Rubenstein", with a long horizontal flourish extending to the right.
